Coda the Garbage Truck is a hardworking and dedicated vehicle who loves his job of collecting trash and keeping the city clean. But Coda has a secret fear: he's terrified of heights. When he's assigned to collect trash from a tall building, Coda's fear threatens to get the better of him.

But with the help of his wise friend, Sparky the Fire Truck, Coda learns that facing his fear is the only way to overcome it. Sparky encourages Coda to focus on the positive aspects of the task, such as the beautiful view from the top of the building.

Slowly but surely, Coda begins to conquer his fear. He discovers that he's stronger than he thought and that there's nothing to be afraid of. In the end, Coda not only completes the task, but he also finds joy in the experience.
