The Moorish Science Temple of America (MSTA) is a religious and fraternal organization that was founded in 1913 by Noble Drew Ali. The MSTA teaches that the Moors are the original people of the Americas and that they are descended from the ancient Egyptians. The MSTA also teaches that the United States is a Moorish nation and that the Constitution is a Moorish document.

In recent years, the MSTA has been experiencing a resurgence in popularity. This is due in part to the growing interest in Afrofuturism and the search for alternative spiritualities. The MSTA also has a strong presence on social media, where it has been able to reach a new generation of followers.

The book *Moorish Vision Advancing The Thought For 2024 And Beyond* is a collection of essays that explore the MSTA's history, beliefs, and future. The book is edited by Timothy Drew, the current Grand Sheik of the MSTA. Drew is a leading voice in the Moorish movement and he has been instrumental in the MSTA's recent resurgence.

The essays in *Moorish Vision* provide a comprehensive overview of the MSTA. The book covers topics such as the MSTA's history, beliefs, rituals, and practices. The book also includes essays on the MSTA's role in the Black liberation movement and its potential for the future.

Moorish Vision is a valuable resource for anyone who wants to learn more about the MSTA. The book is also a must-read for anyone who is interested in Afrofuturism, alternative spiritualities, or the Black liberation movement.

The 2024 elections are a critical opportunity for the MSTA to advance its vision for the future. The MSTA is calling on its members to vote in the 2024 elections and to support candidates who share the MSTA's values. The MSTA believes that the 2024 elections are a chance to create a more just and equitable world for all.

Moorish Vision is a book that will inspire you to think about the future in a new way. The book will challenge your assumptions and open your mind to new possibilities. *Moorish Vision* is a must-read for anyone who wants to create a better future for themselves and for the world.
